RE-CREATIVE RESOURCES, INC. 2012, ACTIVITY RESOURCE CENTER BROCHURE

What is the Activity Resource Center?

Re-Creative Resources' **Activity Resource Center** is a service that offers members **UNLIMITED** access to a **LARGE** variety of activity resources, tools, training materials, activities, reports, samples, and so much more! Over 200 items are currently available and that number will grow, for new resources will continuously be added. Resources are in a variety of formats including Word documents, PDF, PowerPoint and Excel. The majority of the materials, however, are Word and PDF documents.

Who is the Activity Resource Center Designed For?

The **Activity Resource Center** is designed specifically for Activity Directors, Activity Professionals, and Recreation Therapists. The focus is on long-term care, however, many of the materials may be utilized for other populations and settings as well.

What are the terms of use for the items in the Activity Resource Center?

Only one user is permitted per subscription. The sharing of a password and user name is strictly prohibited and may result in the termination of the user's subscription with no refund. All items may be reproduced and duplicated as long as it is for non-commercial purposes and that the source cited at the bottom of each page remains intact. Some forms and materials may be slightly altered to suit the individual needs of the facility.

Why re-invent the wheel?

What does it cost to join the Activity Resource Center?

Re-Creative Resources Inc. is offering an introductory fee of just \$45.95 for the first year membership. After that, it is only \$9.95 a year! You will be sent an annual renewal notice to remind you that your membership fee is due.

How do I join the Activity Resource Center?

All you have to do is register and pay on-line via PayPal OR you may print out an Activity Resource Center brochure, complete the order form and mail in your registration and payment. You will then receive a password and have 24 hour a day access to the Activity Resource Center.

What EXACTLY is available in the Activity Resource Center?
