Kim's Corner

Hi! Wow, the summer is almost over. I cannot believe it. I hope

each and every one of you enjoyed the summer and had an opportunity to take some well deserved time off to spend with family and friends.

I am so excited to introduce to you a fantastic colleague of mine, Ms. Aimee Montgomery Wilson, CTRS, ACC. Aimee will be co-presenting the Learning Buffet Workshop with me, as well as several webinars. Aimee and I have worked together on other projects and we are both on the board of directors of NJAPA so I know we will produce sensational educational sessions. Please welcome her and take a moment to learn more about this dynamic professional by reading her bio below.

There are many educational opportunities for you and your staff that I have available in the Fall. If you're not in the NJ area, there is an

BACK TO SCHOOL ISSUE

Fall Education-2009

It's back to school time! Re-Creative Resources has put together a fantastic Fall, 2009 schedule of educational events created for activity professionals, activity practitioners and recreation

therapists. There are several seminars and workshops scheduled in NJ in addition to a large variety of on-line webinars. Whichever you choose, all sessions are NCCAP approved, fun, interactive, affordable and offer opportunity to win prizes and network. Scroll down to learn more or simply watch a video overview by clicking on the box above.

Fall Webinars (NCCAP Approved)

Re-Creative Resources Inc. offers education via the web. Webinars are a great way to learn and gain continuing education credits, while being able to interact with the instructor and other attendees. Each live session is NCCAP approved for 1.5 CE's, interactive, educational, affordable, and fun. The fee is just \$30 a person for each session. Group rates and private sessions are available. Many times and dates are scheduled to accommodate your busy schedule. Some of the sessions that will be offered this Fall include:

- *Person Centered Activities: for the Good of the Individual*– is designed to provide information that will assist activity and recreation professionals in the development and provision of person-centered

incredible line up of webinars available from September through November. I am going to be busy this Fall presenting these seminars and webinars as well as other speaking engagements for state and local groups, so I do hope to see you! Please stop by and say hi! If not, join Re-Creative Resources on [Facebook](#), visit the [guestbook](#) or send an [email](#).

"The real voyage of discovery consists not in seeking new lands, but in seeing with new eyes." Marcel Proust, French novelist

Happy Back to School!

Life. Be in it! *Kim* ☺

Meet Aimee!

Aimee Montgomery Wilson CTRS, ACC is a Business and Leadership Coach at her company, Ripple Coaching and

Consulting. Since 1987, Aimee has worked most of her career in long term care with periods of work in adult day care for developmentally disabled adults and substance abuse. She is an Activity Consultant Certified by the National Certification Council for Activity Professionals, and a Certified Therapeutic Recreation Specialist by the National Council of Therapeutic Recreation Certification. Since 1997, Aimee has been an assistant instructor for the MEPAP course.

Aimee has been trained in the American Therapeutic Recreation Association's Dementia Practice Guidelines by the authors of the guidelines, by the NY Chapter Alzheimer's Association as a support group leader and by NYU as an Executive Coach. She currently serves on the New Jersey Activity Professionals Association as the Marketing Chairperson. Aimee served as the coordinator of a Dementia unit that was granted through the NYS Department of Health entitled, Pieces of the Puzzle: The Use Of Pervasive Therapeutic Recreation Activities in a Person Centered Care Dementia Unit.

activities in long-term care, assisted living and adult day care.

- *Decreasing the Barriers to Recreation and Activity Pursuits Through Adaptation* is designed to provide information that will assist activity and recreation professionals on the provision of various adaptation techniques to enhance the quality of life of those with limitations or disabilities.
- *Talking Shop: Men's Programming Ideas for Recreation Professionals* is designed to provide information that will assist activity and recreation professionals in the development and provision of meaningful activities for the male population.
- *Train the Trainer: Staff Development Tips for Recreation Directors* is designed to provide information that will assist recreation directors or supervisors in the development and provision of an on-going employee training program.
- *Off to a Great Start: Employee Orientation Tips for Recreation Directors* is designed to provide information that will assist recreation directors or supervisors in the development and provision of a successful employee orientation program.
- *Never Too Old To Learn: Educational Activities for the Elderly* is designed to provide information that will assist activity and recreation professionals on the development and provision of a large variety of educational activities specifically designed for the elderly.
- *Coaching Your Team to Excellence: Real Time Techniques for Staff and Volunteers* is designed to develop leadership and management skills through proper application of techniques and concepts using coaching as the medium for growth and empowerment.
- *Developmental Disabilities: An Overview for Activity and Professionals* is designed to provide recreation/activity staff with foundation knowledge of characteristics of common developmental disabilities, implications for recreation and activities, an understanding of disabilities and aging and more.
