

## Activity Professionals Week Tool Kit

[www.recreativeresources.com](http://www.recreativeresources.com)

### INDICATIONS FOR USE

This Activity Professional's Week Toolkit was designed to assist the Recreation/Activity Director/Professional in promoting the purpose, types, and benefits of therapeutic activities provided to elders and others in health care facilities.

### TERMS OF USE

The purchaser may duplicate the materials in this toolkit as long as the materials are not re-distributed or sold, and that they retain the source cited at the bottom of each page.

### TABLE OF CONTENTS

- Activity Catch (leisure education game for residents or staff).
- Activity Charades (leisure education game for residents or staff).
- Activity Clue Word Scramble (leisure education game for residents or staff).
